“The SBA is committed to facilitating economic recovery in this disaster. We want area businesses to have a resource where they can meet individually with SBA representatives and find out how a low-interest disaster loan can help them recover,” said Kem Fleming, director of SBA’s Field Operations Center East in Atlanta.

Interest rates are as low as 3.675 percent for businesses, 2.5 percent for nonprofit organizations and 2 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant’s financial condition.
